Reference: Application No. 10/647,835

Art Unit: 2834
Filing Date: 08/25/2003
Inventor: Douglas Odell Richard
Examiner: Tran Nguyen

Subject: Status on the above referenced patent application

The above referenced patent application, allowed in August 2004 and the issuance fee paid in September 2004, has not issued and I have not been successful in my attempts to receive a status update from the Publications Division. Please consider my request for a status update concerning the issuance of patent application number 10/467,835.

If you need additional information, please contact me at (708) 418-5081 home, or (708) 275-8194 cell phone or email me at ddu11@comcast.net.

Sincerely,

/s/ Douglas Odell Richard

Encl.
